First Nations Health Authority
Health through wellness

# EMPLOYMENT OPPORTUNITY

## Population Health and Wellness Manager

West Vancouver, BC

The First Nations Health Authority is a diverse and transformational health organization of professional, innovative and dedicated team members and leaders. The first of its kind in Canada, FNHA works as a health-and-wellness partner with BC First Nations to support self-determination and decision-making to improve health outcomes.

The Population Health and Wellness Manager works with the CMO core team to champion and provide subject matter expertise in upstream and holistic thinking in the areas of public health, population health by adopting innovative approaches to health and wellness. Additionally, they will closely interact with the management teams and staff members across the FNHA and provide an executive support to the CMO in the diverse areas including population health/public health, data, surveillance and reporting, quality and safety, and research by leading strategic partnerships, managing projects, facilitating creation of frameworks, policies, thought leadership and strategic direction.

### Education & Experience

- A Bachelor's degree, preferably health related or an equivalent combination of education, training and experience.
- Experience working with First Nations communities and leadership.
- Significant, recent and relevant experience in strategic policy analysis, development and implementation and strategic planning (usually acquired over a period of 5 to 7 years) preferably in the health field, or an equivalent combination of education and experience, preferably within the context of First Nations health
- Experience in community engagement or consultative processes
- Experience in research and public health (preferred)
- Experience in project management
- Experience working in a team setting

### What you can expect from us?

Joining our family means joining an organization that supports personal and professional growth as well as the opportunity for you to gain exposure in the First Nations Health Care industry.

Start with us, and you might wind up in unexpected places. Many of our staff throughout the organization have started in one of our coveted student positions. Now is your chance to move your career in a new direction! If you want to make a difference and have the opportunity to contribute to BC's history, then come join FNHA!
